Fifty Cents

• **Jay Bearfield** of East Street, owner of Liquid Landscape Designs, Carlisle, has been accepted by International Professional Pond Contractors Association as a fully certified professional pond contractor with a five star rating. To win certification, Bearfield had to document at least 12 pond installations including client feedback. He was required to prove a working knowledge of aquatic plants, fish, equipment and an understanding of pond ecosystems. Bearfield's work was on display at Ferns Country Store this past summer.
